Consigner H & H Land & Cattle, Midway, AR.

Foot Notes Selling three conventional embryos with the guarantee of one successful transfer if implanted by an AETA-certified technician. There is power in the blood in this mating! Valued \$17,000 when sold for the first time in 2014, the donor of these embryos, DCF Lucy 3661, makes this package especially special. 3661 herself ranks in the top 10% or better of the breed for WW, SC, CW, Marb, RE, \$F, \$G, \$B and \$C. 3661 goes back to Basin Lucy 3829 who sold for ½ interest in 2010 for \$50,000. The successes keep coming for this exciting mating with the sire, Deer Valley Growth Fund. Growth Fund ranks in the top 3% or better of the breed for WW, YW, RADG, CEM, CW, and \$F. This rare mating was completed with conventional semen. Embryos are stored at the farm in Midway, AR and will be brought to the sale for ease of transferring. Price is for one embryo total lot expense will be times 3.
